Width:

0.600 inches

Overall Length:

13.500 inches

Thickness:

0.118 inches

Friction Lining Material:

Rubber

Lining Style:

Rectangular block plain

Special Features:

Lining material should be made iaw drawing no. Sm-a-697270

Fsc Application Data:

Radio and television communications equipment, except airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A230a0
