Thread Length:

0.250 inches

Thread Size:

1/4-28

Bore Diameter:

0.250 inches

Bore Length:

1.000 inches

Screw Thread Series Designator:

Unf

Bore Type:

Plain straight

Features Provided:

Link end threaded hole

Material:

Steel

Material Specification:

Aisi 1015 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
