Width:

1.480 inches

Overall Length:

2.440 inches

Overall Height:

2.440 inches

End Application:

M1TA-NK-,NS-N235

Bore Inside Diameter:

Between 0.500 inches and 0.505 inches

Special Features:

Material is steel cast, heat treated ic 4130 per mil-s-22141; bore centerline to base bottom is 1.940in.

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
