**First End Style:**

Plain

**End Similarity:**

Identical

**Overall Length:**

0.781 inches

**First End Diameter:**

Between 0.2790 inches and 0.2800 inches

**Special Features:**

Bore lg of shaft, 0.1875/0.1880 in. Bore dia

**Material:**

Steel comp 303

**Material Specification:**

Qq-s-763, cond a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
