First End Style:

Plain

End Similarity:

Identical

Overall Length:

0.781 inches

First End Diameter:

Between 0.2790 inches and 0.2800 inches

Special Features:

Bore lg of shaft, 0.1875/0.1880 in. Bore dia

Material:

Steel comp 303

Material Specification:

Qq-s-763, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
