Straight Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-01-084-2604

First End Style:
Plain
End Similarity:
Identical
Overall Length:
0.781 inches
First End Diameter:
Between 0.2790 inches and 0.2800 inches
Special Features:
Bore Ig of shaft, 0.1875/0.1880 in. Bore dia
Material:
Steel comp 303
Material Specification:
Qq-s-763, cond a federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23200
