Overall Length:

1.250 inches

Body Width:

0.620 inches

Body Thickness:

0.119 inches

Link Style:

Straight

Body Construction:

Solid

Special Features:

Square through hole on link, 0.145 in. Distance from c of hole to end, 0.281 in. Sq hole

Material (non-core):

Steel, qq-s-698

Material:

Steel

Surface Treatment (non-core):

Phosphate, mil-p-16232, type m, class 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
