First End Style:

Plain

End Similarity:

Identical

Overall Length:

0.687 inches

First End Diameter:

0.1872 inches

Special Features:

Slotted 0.250 in. W; 0.530 in. From first end; 0.187 in. Death

Material:

Stainless steel

Material Specification:

Qq-s-764, cond a federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
