First End Style:

Hexagonal

End Similarity:

Identical

Overall Length:

6.000 inches

First End Width Across Flats:

Between 0.540 inches and 0.550 inches

First End Diameter:

Between 0.6190 inches and 0.6220 inches

First End Step Length:

0.500 inches

Material:

Steel

Material Specification:

Astma322 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
