First End Style:

Plain

End Similarity:

Identical

Overall Length:

1.500 inches

End Application:

Gsh-46

First End Diameter:

0.2496 inches

Surface Finish:

32.0 microinches

Material:

Steel comp 303

Material Specification:

Qq-s-764 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
