First End Style:

Plain

End Similarity:

Identical

Overall Length:

8.300 inches

First End Diameter:

Between 0.8740 inches and 0.8750 inches

Surface Finish:

125.0 microinches

Material:

Titanium alloy

Material Specification:

Mil-t-9047, type 3, c/mp a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

Mil-t-9047 spec.
