**Special Features:**

8steel hot rolled 1045 specification qq-s-631, heat treatment quench and temper after preliminary machining and prior to application of bronze overlay to rockwell hardness c30-36, length min diameter 2.290 maximum diameter 2.330, height diameter 4.620, threaded diameter 1.250-12 unf-3b

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A518j0
