First End Style:

Plain

End Similarity:

Identical

Overall Length:

12.851 inches

First End Diameter:

Between 1.8100 inches and 1.8110 inches

Surface Finish:

32.0 microinches

Material:

Steel comp 4130

Material Specification:

Mil-t-6736, cond a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

Mil-t-6736 spec.
