First End Style:

Plain

End Similarity:

Identical

Overall Length:

60.629 inches

First End Diameter:

Between 6.0520 inches and 6.0540 inches

Surface Finish:

40.0 microinches

Special Features:

Anodized mil-a-8625, both ends chamfered

Material:

Stainless steel

Material Specification:

Ww-t-700-3, alloy 2024-t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
