**Thread Length:**

0.500 inches

**Thread Size:**

3/8-16

**Bore Diameter:**

0.187 inches

**Bore Length:**

0.125 inches

**Screw Thread Series Designator:**

Unc

**Bore Type:**

Plain straight

**Features Provided:**

Link end threaded hole

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/11, t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A524p0
