Thread Length:

0.500 inches

Thread Size:

3/8-16

Bore Diameter:

0.187 inches

Bore Length:

0.125 inches

Screw Thread Series Designator:

Unc

Bore Type:

Plain straight

Features Provided:

Link end threaded hole

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
