First End Style:

Plain

End Similarity:

Not identical

Second End Style:

Flat grooved and internally threaded

Overall Length:

7.500 inches

End Application:

2320-01-097-0248

First End Diameter:

1.5000 inches

Second End Distance From End To Flat:

0.440 inches

Second End Diameter:

1.5000 inches

Second End Internal Thread Length:

3.440 inches

Second End Grooved Flat Length:

0.3100 inches

Second End Grooved Flat Depth:

0.310 inches

Material:

Steel comp 1045

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
