Width:

2.620 inches

Bolt Hole Quantity:

4

End Application:

2350-01-048-5920 fighting vehicle, infantry

Bore Inside Diameter:

2.490 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
