**First End Style:**

Internal threaded

**Overall Length:**

238.0 millimeters

**First End Diameter:**

31.47 millimeters

**Material:**

Steel comp 4140

**Material Specification:**

Sae 4140 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
