Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-173-1335>

Mounting Provision:

Unthreaded mounting holes

End Application:

Model 855 crawler loader

Design Characteristics:

Double acting single cylinder

Mounting Type And Location:

Flange both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
