Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-173-1335>

**Mounting Provision:**

Unthreaded mounting holes

**End Application:**

Model 855 crawler loader

**Design Characteristics:**

Double acting single cylinder

**Mounting Type And Location:**

Flange both ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
