First End Style:

Plain

End Similarity:

Identical

Overall Length:

0.770 inches

End Application:

2520-01-201-4784

First End Diameter:

0.3145 inches

Surface Finish:

50.0 microinches

Material:

Aluminum alloy 6061

Material Specification:

Sae j454 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
