Width:

3.500 inches

Overall Length:

4.353 inches

Overall Height:

0.375 inches

Bore Inside Diameter:

Between 0.966 inches and 0.986 inches

Special Features:

Bolt hole q type 7; bore centerline to base bottom is 3.233in.

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, t351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
