Overall Length:

15.562 inches

Body Diameter:

0.627 inches

Body Width:

0.627 inches

Link Style:

Eye to internal thread

Body Construction:

Solid

Product Name:

Rod assembly

Special Features:

Nha rod assembly

Material:

Stainless steel

Surface Treatment:

Cadmium and primer and anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A52410
