**Criticality Code Justification:**

Zzzy

**General Description:**

Alloy steel astm-a304 mil-s-16974; thread locking compounds mil-s-22473

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
