End Application:

Allis-chalmers 6x5 type skh centrifugal pump

Special Features:

Clockwise

Material:

Nickel alloy

Material Specification:

Mil-n-894, class a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

Mil-n-894 spec.
