Width:

1.320 inches

Overall Length:

1.948 inches

Overall Height:

3.050 inches

Bore Inside Diameter:

1.125 inches

Mounting Hole Type And Quantity:

2 plain

Special Features:

Bore centerline to base bottom is 0.562in.

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524a0
