End Application:

Peacekeeper transportation and handling

Hub Inside Diameter:

6.600 inches

Special Features:

Securing hole qty: 5; material hardness rating: 34.0 to 38.0 rockwell c

Material:

Steel

Material Specification:

Comp 4340 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A523y0
