First End Style:

Plain

End Similarity:

Identical

Overall Length:

0.938 inches

First End Diameter:

0.3750 inches

Special Features:

0.125 in. Bor, w/0.188 in. Counterbore, 16 splines, 30 degrees pressure angle

Material:

Steel

Material Specification:

Qq-t-570 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
