Overall Length:

3.977 inches

Body Width:

0.095 inches

Body Thickness:

0.095 inches

End Application:

Used on actuator stabilator for the f-15 acft

Link Style:

90 degrees offset holes

Body Construction:

Solid

Material (non-core):

Steel, stainless

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A52410
