First End Style:

Plain

End Similarity:

Identical

Overall Length:

26.0 millimeters

End Application:

5895-01-205-0877

First End Diameter:

5.0 millimeters

Material:

Steel comp 303

Material Specification:

Qq-s-764, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
