First End Style:

Plain

End Similarity:

Identical

Overall Length:

35.0 millimeters

End Application:

5895-01-205-0877

First End Diameter:

5.0 millimeters

Material:

Stainless steel

Material Specification:

Qq-s-763, type 440f-se cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
