Overall Width:

0.380 inches

End Application:

1730-01-227-8152

Center To Center Distance Between Link And Shaft Holes:

0.563 inches

Material:

Steel

Material Specification:

Armco steel co 17-4ph assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
