## End Similarity:

Not identical

### **Overall Length:**

22.375 inches

#### End Application:

Dough mixing outfit, m534-1a

#### Largest Step Diameter:

Between 4.122 inches and 4.123 inches

#### Surface Finish:

32.0 microinches

#### **Special Features:**

1 ea flange roll, item 51 dwg 5-11-846; matl steel, corrosion resisting; machined to min 4.122 in and maximum 4.123 in after shrunk on item

## 45 dwg 5-11-846

#### Material:

Steel comp 1020 or steel comp 1030

#### Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

Fiig:

A23200
