## NSN 3040-01-283-4579

Shouldered Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-01-283-4579

End Similarity:
Not identical
Overall Length:
23.125 inches
End Application:
Dough mixing outfit, m534-1a
Largest Step Diameter:
Between 4.122 inches and 4.123 inches
Special Features:
1 ea flange roll, item 52 dwg 5-11-846; matl steel, corrosion resisting; machined to min 4.122 in and maximum 4.123 in after shrunk on item
46 dwg 5-11-846
Material:
Steel comp 1020 or steel comp 1030
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A23200
