First End Style:

Square (round corners)

End Similarity:

Identical

Overall Length:

17.250 inches

First End Width Across Flats:

Between 0.748 inches and 0.749 inches

First End Diameter:

Between 0.8730 inches and 0.8750 inches

First End Step Length:

1.468 inches

Material:

Steel

Material Specification:

Qq-s-440, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
