Width:

6.000 inches

Overall Length:

3.710 inches

Overall Height:

6.000 inches

Bolt Hole Quantity:

6

End Application:

2520-01-274-6449

Bore Inside Diameter:

Between 1.880 inches and 1.900 inches

Material:

Steel

Material Specification:

Sae 8620h assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524a0
