Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-300-3104>

End Application:

3825-01-063-2821

Design Characteristics:

Double acting single cylinder

First Piston Rod End Style:

Bearing type

Piston Rod End Similarity:

Identical

Mounting Type And Location:

Any acceptable both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
