Overall Length:

1.156 inches

Overall Width:

0.875 inches

Thickness:

0.094 inches

Mounting Hole Diameter:

0.188 inches

Mounting Hole Quantity:

1

Criticality Code Justification:

Zzzy

Material:

Stainless steel

Shape:

Rectangular

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524m0
