Overall Length:

10.200 inches

Body Width:

1.250 inches

Body Thickness:

0.500 inches

Link Style:

Straight

Body Construction:

Solid

Criticality Code Justification:

Zzzy

Material (non-core):

Steel, corrosion resisting

Material:

Stainless steel

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A52410
