Overall Length:

24.500 inches

Body Diameter:

0.625 inches

End Application:

4240-01-283-0193

Link Style:

Tongue ends

Body Construction:

Tubular

Special Features:

Item includes rod, latch d5-19-9375-20; both ends are smashed

Material (non-core):

Steel, corrosion resisting

Material:

Stainless steel

Surface Treatment (non-core):

Passivated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
