Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-319-2810>

Body Material:

Steel

Bore Diameter:

2.000 inches

Integral Valve Operation Method:

Hydraulic

Design Characteristics:

Double acting tandem cylinder

Special Features:

1.000 in. Stroke

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A34200
