Overall Length:

2.500 inches

Body Width:

1.000 inches

Body Thickness:

0.250 inches

End Application:

1450-00-066-8873

Body Construction:

Solid

Special Features:

Largest hole has squared out corners, making the size 0.518 in. Across the corners; includes 2 pins

Material (non-core):

Steel, qq-s-741

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
