Linear Actuating Cylinder Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-329-8406>

Body Material:

Any acceptable

Bore Diameter:

5.000 inches

End Application:

Miscellaneous power transmission equipment

Pressure Rating:

250.0 pounds per square inch

Integral Valve Operation Method:

Hydraulic

Special Features:

Stroke 84.00 in

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
