Overall Width:

1.250 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9, alloy 7075, t7351 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Flat, one hole link end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
