Linear Actuating Cylinder - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/3040-01-346-2803>

Overall Length:

29.180 inches

Temperature Rating:

-10.0 degrees fahrenheit 165.0 degrees fahrenheit

Overall Width:

1.500 inches

End Application:

Aground and airborne gas turbines, auxiliary power units, accessories and parts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A34200
