**End Application:**

Used on the rear axle of heavy equipment; 2320-01-304-2277 pls (palletized loading system), 2320013189902 het (heavy equipment transporter)

**Product Name:**

Ring and pinion assembly

**Special Features:**

Material steel; length 175 mm; diameter 273 mm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A522e0
