End Application:

Pacer special

Special Features:

Weight 0.65 lbs.

General Description:

Major components: shaft assembly 125327ba-6; shaft 42046c; plate, adapter 125587b; plate, index 125586b

Fsc Application Data:

Motor, actuator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
