Width:

2.130 inches

Overall Length:

5.380 inches

Overall Height:

3.250 inches

Bolt Hole Quantity:

2

End Application:

2350-01-305-0028

Bore Inside Diameter:

0.750 inches

Bolt Hole Size:

0.810 in. Diameter

Special Features:

Center to center distance between bolt holes: aa1.375

Material:

Steel

Material Specification:

Aisi4130 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
