End Application:

1730-01-126-6239 trailer, lift, acft, aircraft models f-18a/b/c/d

Center To Center Distance Between Link And Shaft Holes:

1.750 inches

Shaft End Thickness:

0.250 inches

Link End Thickness:

0.375 inches

Distance Between Fork Inside Spread:

0.188 inches

Special Features:

Mfg nomenclature describes item as lever, release; offset height: 0.125 in.

Material:

Stainless steel

Surface Treatment:

Cadmium

Style Designator:

Clevis link end, securing hol (s) shaft end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524p0
